PREPARATION OF YOUR SCENARIO PRESENTATION

[Instructions]
Use this template to organise your presentation and the essential elements of your scenario. For each of the following sections, you have some inspiration prompts on the right side.

Our scenario is called.... _____

From our first observations of the present, we discussed how...

_____
- *What we really (dis)like about how things work today is...*

_____
- *One thing we definitely wanted to move away from was...*

_____
- *Something we want to protect and keep for the future is...*

When we looked at influencing factors, we noticed that...

_____
- *A change that will clearly impact our future is...*

_____
- *Something that worries us about the next 15 years is...*

_____
- *A trend we feel hopeful about is...*

When choosing our democratic innovations, we focused on...

_____
- *What connects these ideas is...*

_____
- *Together, they change the way decisions are made by...*

_____
- *Our mix of ideas creates a future where...*

In our 2040 scenario, what really defines our vision is...

_____
- *What makes future society different from today is...*

_____
- *A weakness we tried to address is...*

_____
- *The most important value guiding our choices has been...*

_____
- *In our future, decisions are made by...*

_____
- *The people and institutions that play a central role are...*

_____
- *We strengthened our vision by...*

_____
- *What really matters to us as a group is...*

_____
- *If someone lived in this future, they would experience...*

Looking back at the whole journey, we would say that...

_____
- *What changed most in our thinking was...*

_____
- *What we are most proud of as a group is...*

_____
- *The future we imagine feels more...*

Scenario Checklist:

- ❑ **Scenario Name** that is catchy and captures the main theme of your scenario
- ❑ **Core Values** that guided your scenario development
- ❑ **Key Components and Characteristics** of your scenario
- ❑ **Democratic Innovations** or mechanisms that anchor and support your scenario
- ❑ **Reflections** from your process and how major challenges were addressed.
